

Areas of pride.....?

Write down areas of your life where you now realise that you have been proud.

Consider, for example, your attitude towards:

- **Family members**
- **Church leaders**
- **Christians from other parts of the Church**
- **Work colleagues**

Consider too if you have been proud of:

- **Your understanding of Christian doctrine**
- **Your worldly achievements**
- **The things you have done for God**

**Lord Jesus,
I confess and renounce that I was proud by/towards
_____ (Say what you did and to whom). I now
choose to have the same attitude You had. I humble myself
before You and before other people. I declare the truth that I am
in no way better than they are and I choose from now on to
consider them more significant than myself. Thank You that,
because I know I am Your child, I can rely on You to lift me up in
due course. In Your name.
Amen.**
